Week 2: Wild about Animals

Ages 4-6

Butterfly Gardens- In this fun-filled painting class, young artists will discover the magic of painting with a variety of colorful materials! Using brushes, sponges, and their hands, kids will explore different painting techniques while creating their own butterfly masterpieces.

Paint & Clay Garden Bugs- Time to go on an adventure at Kaleidoscope! Students will have the chance to explore multiple mediums that are inspired by peaceful picnic scenes. In just one class students will create a sculpture out of air dry clay, leaving the rest of camp to painting!

Jungle Cubs- Join us in the jungle while painting our little friends. This step by step drawing and painting class

Age 7+

Animal Jars (Clay)- Create a functional work of art in Animal Jar! In this hands-on clay class, students will design and build their own animal-inspired container with a removable lid.

Ocean Life Sculptures- In this exciting hands-on clay class, students will explore the fascinating world beneath the waves while learning foundational handbuilding techniques. From sea turtles and tropical fish to octopuses, sharks, and imaginative deep-sea creatures, young artists will bring ocean animals to life in three dimensions.

Woodland Critters- Wonderful Woodland creatures are cozy in their nests! What adventures will they go on, after a long winter in their burrow? This class will use painting and mixed media to explore woodland animals and their adventures

Animal Art Atlas- Tour the world and visit every continent and dive through the sea to paint some of Earth's animals from A to Zebra.

Swamp Creatures- Discover warm and cool colors while painting scenes at the swamp. The wetlands shelters many exciting animals for us to explore.

Age 10+

Drawing Animals with colored Pencils- Learn the basics of drawing, then Discover the joy of Colored Pencils as we explore this fascinating medium. Students will learn how to layer and create depth with graphite and colored pencils

Painting Animals on Canvas- This Teen Studio Painting class is designed for young artists who want to explore the world of painting in a fun, supportive, and creative environment. Whether you're interested in acrylics, watercolors, or mixed media, this class will help you develop your skills and express yourself through the art of painting.

Birdhouse in Clay- This whimsical house for the birds will provide hours of fun and creativity for students; and for the birds it will provide a fine home with artistic flair and style! You will learn how to create a birdhouse by using coils and slabs. Finished pieces will be painted with underglaze and kiln fired.
