Winter Two

Pre K

Paint and Clay- In this playful and creative class, little artists will dive into the world of paint and clay! Using colorful paints, children will learn how to create beautiful artwork with their brushes, while also exploring the tactile world of clay. They'll shape and mold their own sculptures, from animals to simple shapes, and then decorate them with paint to add bright, fun details.

Kinder Paint- In this fun-filled painting class, young artists will discover the magic of painting with a variety of colorful materials! Using brushes, sponges, and their hands, kids will explore different painting techniques while creating their own masterpieces.

Changing Seasons (Paint and Clay)- As the seasons begin to change, create art in paint, pastels, and clay to represent this magical time. Students will be taught in a step-by-step process to create their own works of art.

Class Descriptions

Grades: K-2

Enchanted Woodlands- Trolls, dryads, elves, wizards, fairies, gnomes, and other enchanted forest creatures can be the focal point of your amazing drawing & painting projects this week.

Mock Stain Glass- Through guided instruction, students will practice drawing simple shapes, planning patterns, layering colors, and adding bold outlines to mimic the look of real stained glass. They'll experiment with how light shines through translucent materials and discover how color mixing works when light passes through their designs.

Clay Garden Stepping Stones- In this hand building clay class students will create their own beautiful stepping stones that can be used in their very own gardens. Using different techniques of relief 3D art work students will learn much about creating forms in clay.

Winter in the Alps- Lets discover the vibrant traditional art style from Swedish to Danish artists. Using inspiration from gnomes, wooden shoes, windmills, skiing, and much more!

Classic Storybook Illustrations- Join us to create some of our favorite children's book illustrations. From The Hungry Caterpillar to Beatrix Potter to Where the Wild Things Are, we will explore famous artwork and storybooks in paint and mixed media.

Painting from Dawn to Dusk- Learn to capture the beauty of nature as the sun sets in the forest. The colors of the night come alive in the dark forest sky. Use paint, pastel and other mediums to create these beautiful scenes.

Seussical Illustrations- Welcome to a world where lines are wiggly, buildings are topsy-turvy, and elephants sit on eggs! In this fun and imaginative art class, young artists will dive into the whimsical world of Dr. Seuss. We'll explore his unique illustration style, characterized by silly shapes, vibrant colors, and fantastical creatures, to spark our own creative adventures.

Classic Descriptions

Grades 3-5

Mythology Across the Globe- Dive into the myths and legends from around the world in this exciting art class. We will travel through ancient Greece, Egypt, Norse lands, and beyond, exploring the fascinating characters and creatures that shaped early cultures.

Paper Mache Mythical Beast- In this class, you get to choose your favorite mythical beast and construct a spectacular 3D model using the messy, fun, and classic technique of paper mâché. From the fiery breath of a dragon to the majestic wings of a griffon or the mysterious scales of a sea serpent, every culture has stories of incredible creatures.

Fabric Mosaic on Canvas- Using pieces of fabric as your mosaic pieces, create a beautiful mosaic scene on canvas.

Clay Dragons & Castles- Students will learn to hand-build clay castles and relics from ancient times. Finishing off their own ideas will a dragon swirling around the castle. Sculptures will be finished with underglazes and kiln-fired.

Tessera Paper Mosaics- Get ready to become a mosaic artist! In this fun, hands-on class, you'll learn the ancient art of creating pictures using small, colorful pieces. We call these little squares "tesserae." After step by step drawing you will then carefully glue down hundreds of tiny paper tiles to fill it in, piece by piece. Discover how changing colors and making a pattern of your own creates an amazing, textured masterpiece you can take home.

Treasure Island Illustrations- Pirate cartographers and story illustrators, learning to design thrilling maps with compass roses, hidden landmarks, and buried treasure, while also bringing legendary characters like Long John Silver to life using fun, aged paper effects and storytelling techniques, all to create their own piece of pirate lore.

Whimsical Creatures & Cartoon Mash-Ups- Young artists explore creativity through playful mash-ups of animals, objects, and everyday items. Students learn how to combine shapes, textures, and ideas to create entirely new characters. Along the way, they practice drawing skills, color planning, storytelling, and creative problem-solving. The results are imaginative, surprising, and completely unique!

Artists' Gardens- Imagine the great artists setting up their easels and painting their own favorite gardens. Join our drawing and painting class as we study and recreate warm picturesque garden scenes in the same style as famous artists.
