

Class Description

Meet the Masters

Age 4-6

Go, go Van Gogh- Have fun learning about Vincent Van Gogh and his amazing art! We will work in a variety of media including drawing, pastels, and paint. Our inspiration will come from this great Master and we will transform paper surfaces into our own works of art.

Art of Eric- Carle is one of the most beloved illustrators of children's books. His full-color collages have entertained audiences for generations in the Very Hungry Caterpillar and many others. In this class, students will learn how to use a variety of mediums to create Carle-like artwork to proudly display.

Meet Me at Met- Young artists will enjoy learning about the famous art and artifacts on display at the Metropolitan Museum of Art in NYC. Each session will focus on examples from a particular wing of the Met. Creating own masterpieces using inspiration from these famous works in watercolor, tempera, and oil pastels.

Ages 7+

Avengers vs DC cartooning- Come ready to explore and create comic strips and cartoon stories with themes you love. Minecraft, Star Wars, Avengers, Manga or your own stories. Classes will cover drawing, inking, lettering and coloring your comic stories and art. We will let our imaginations soar as we create cartoon illustrations of our all-time favorites! All materials included.

Monet, Matisse & More- Let's learn about the Master Painters – we will draw, paint, color, & design with a study of the featured artist and their techniques. Your child will become a Master Painter with their own unique interpretations!

POP Art- Using works from Andy Warhol, Jasper Johns, Jeff Koons, Robert Indiana (and others) as our inspiration we will create our own works of art using brush and ink, and a variety of painting mediums. These abstract and pop art works will be filled with bold images and colors!

Frida Kahlo Acrylic Painting- In this acrylic painting class, explore the world of Frida Kahlo, learning techniques and exploring her unique style to create your own inspired artwork, perfect for beginners and experienced artists alike.

Warhol Digital Art- Using an iPad Pro, stylus, and tools from various art software, students learn art techniques that show why the world of digital art takes creative expression to a new level. This class will focus on creating work inspired by Andre Warhol.

Ages 10+

Fun with Color: Basquiat & Haring- Join the Graffiti scene as we combine street art with fine art in this inspiring class. Using contemporary artists like Basquiat and Haring students will learn techniques to create their own vibrant mixed media pieces filled with bold colors, symbols, and text.

Fun with Dots: Kusama & Lichtenstein- This class will be exploring artists like Yayoi Kusama's and Lichtenstein wild polka dot and repetitive designs to create wonderfully expressive contemporary work. Students will use a variety of tools to create these distinct abstract pieces.

Escher Illusion Drawing- This class will explore works from the dutch graphic artist Escher. Using his techniques to create optical illusions through impossible patterns you will create your own masterpieces. This class will be heavily focused on drawing using materials such as graphite, charcoal, and ink!

Learn to Illustrate- Today illustration focuses on flexible and fast digital art, let's go back to the golden age of illustration where everything was created through hands-on experience. This class will learn how to use fine art skills to create illustrative masterpieces.
