

Class Descriptions

Week 7: Under the Sea

Ages 4-6

Sea Side Escape- The seaside offers an incredible amount of inspiration for artists from coast to coast. This class will explore painting numerous textures from rough sand, soft plants, and crashing waves. Students will be guided through projects to create their own beautiful scenes.

Deep Sea Adventures- Explore the secrets of the sea in this underwater art adventure! Using all sorts of drawing and painting media you will capture the colorful fish, playful dolphins, coral and beautiful marine life of the oceanarium!

Coral Reef Creations (Paint & Clay)- In this playful and creative class, little artists will dive into the world of paint and clay! Using colorful paints, children will learn how to create beautiful artwork with their brushes, while also exploring the tactile world of clay. They'll shape and mold their own sculptures, from animals to simple shapes, and then decorate them with paint to add bright, fun details.

Ages 7+

Treasure Island Illustrations- Pirate cartographers and story illustrators, learning to design thrilling maps with compass roses, hidden landmarks, and buried treasure, while also bringing legendary characters like Long John Silver to life using fun, aged paper effects and storytelling techniques, all to create their own piece of pirate lore.

Sea Creatures- Visit the oceanarium as we explore the secrets of the sea in this underwater art adventure! Using all sorts of drawing and painting media you will capture the colorful fish, playful dolphins, coral and beautiful marine life of the oceanarium!

Ocean Life Sculptures- In this exciting hands-on clay class, students will explore the fascinating world beneath the waves while learning foundational handbuilding techniques. From sea turtles and tropical fish to octopuses, sharks, and imaginative deep-sea creatures, young artists will bring ocean animals to life in three dimensions.

Shell Vases- Get your hands in the clay and let your imagination run wild! In this step by step hand building class, you'll dive into the exciting world of ceramic art, learning how to sculpt, mold, and create with clay. These will be functions vases for the home, hand wash only!

Ages 10+

Mini Reefs in Clay- Students will learn techniques like pinching, coiling, and slab building to create coral formations, sea creatures, and tiny reef details in clay. While diving into the world of hand building while designing their own colorful underwater ecosystems.

Oceanside Landscapes Mixed Media- Discover the fun and fantastic effects of experimenting with and mixing different media. We may try mixing media such as: watercolor, ink, acrylic, pastels, or even creating with unusual materials! Create stunning artwork while learning about drawing, color and composition

Stop Motion- Learn how to make your own stop motion animations! Students will design and create their own articulated paper dolls, props, and storyline to film a short stop motion video. Perfect for budding writers and filmmakers!
