

Class Descriptions

Week 4: From Coast to Coast

Ages 4-6

Animals on Parade- Join us for a fun and creative adventure where you'll bring animals to life! In this class, kids will learn how to draw and paint adorable critters in the summer sun.. It's the perfect way to explore vibrant scenes and creatures while learning new art techniques!

Star Spangled Fun- Using vibrant colors and a variety of painting techniques, young artists will create their very own glittering scenes.

State Birds- In this fun Pre-K painting class, young artists will explore colorful state birds and create their own bright bird masterpiece. Children will practice using brushes, mixing colors, and adding simple details while building fine motor skills and creativity.

Age 7+

Us Landscapes Magnets Clay- In this hands-on clay class students will sculpt and design miniature magnets inspired by beautiful U.S. landscapes like mountains, deserts, beaches, and canyons. Students will build, shape, and add texture to their clay creations while exploring creativity and strengthening fine motor skills.

Paintings from Sea to Shining Sea- Create colorful landscapes inspired by the diverse scenery from coast to coast across the United States. Students will explore blending colors, painting simple backgrounds, and adding creative details while building confidence and artistic skills.

Western Art- Yeehaw! Get ready to saddle up and ride into the world of the Wild West in this fun and colorful painting class for young artists! Students will explore Western art themes, like cowboys, horses, cacti, and desert landscapes, while learning to use paints and brushes to create their own masterpieces.

America's Natural Wonders- From deserts, to mountains, plains and more America has some of the most diverse landscapes that inspire artists everyday. Students will work in acrylic and watercolor paints to create these stunning paintings.

State Animal Clay Tiles- We will design our own images using the relief method to create a scene coming out of tiles. By carving away and adding clay we will learn how to use multiple tools to make fine pieces of art.

Age 10+

Clay Studio- Get your hands in the clay and let your imagination run wild! In this Teen Clay Studio class, you'll dive into the exciting world of ceramic art, learning how to sculpt, mold, and create with clay. Whether you're interested in functional pottery, abstract sculptures, or decorative pieces, this class is the perfect place to experiment and develop your skills in a fun and creative environment.

Great American Road Trip Painting- Teen Painting class is designed for young artists who want to explore the world of painting in a fun, supportive, and creative environment. Whether you're interested in acrylics, watercolors, or mixed media, this class will help you develop your skills and express yourself through the art of painting.
