

Class Descriptions

The Art of Food!

Ages 4-6

Candy Shop- This class will explore creating colorful and vibrant paintings inspired by our favorite shop, the Candy Shop! Young artists will be guided through drawing and painting techniques in tempera, watercolor, and oil pastels.

Cupcakes in Clay- While learning the basics of hand building in clay students will create their own delish cupcake jar. These beautiful decorative pieces are a great way to explore coils, pinch pots, and much more. Pieces will be underglaze on the last day of class and kiln fired up to two weeks after the camp.

Picnic Art Paint & Clay- What's for lunch? Let's find out in this painting and clay class! Students will have the chance to explore multiple mediums that are inspired by peaceful picnic scenes. In just one class students will create a sculpture out of air dry clay, leaving the rest of camp to painting!

Age 7+

Pie in Clay- Come make delectable dishes of our favorite savory pies! Learn handbuilding techniques like coiling, slab, and pinching to create these sweet treats.

Collage Cuisine- Mixed media at its best! Using colorful paper and paint, we will create texture and depth to our collages. Collage allows artists to explore a multitude of ideas and take a unique approach to their own artistic expression.

Kawaii Drawing- Lets learn how to use basic shapes, lines, and colors to create these adorable characters in the world of Kawaii. This class will be heavily focused on drawing and using different color techniques to render these pieces. Students will use materials such as colored pencils, watercolor, acrylics, oil paints, ink, and more!

Clay Cafe- Join Ms Karen for a Clay Studio where you will learn to build with terra cotta clay. Can't wait to see what's on the menu!

Age 10+

Diner Texture Paint- Creating a textured surface to paint on can make the work more engaging and dynamic for viewers. With different techniques to explore this class will be fun and leave students inspired for their own work!

Teen Watercolor Fruit- In this focused and fun watercolor class for teens, students will learn to master the techniques of watercolor painting through step-by-step instruction. Designed for all skill levels, this class will guide students through the process of creating beautiful, vibrant works of art using watercolors. From understanding the basics of color mixing and brushwork to painting landscapes, portraits, and still lifes, students will develop their confidence and artistic abilities.

Crochet Food- Do you want to learn how to crochet? Come learn how! We will be learning simple crochet stitches to make mini stuff foods . All levels are welcome, if you are more familiar with crochet come join the group and learn new things together!

Clay Strawberry Vases- Get your hands in the clay and let your imagination run wild! In this step by step hand building class, you'll dive into the exciting world of ceramic art, learning how to sculpt, mold, and create with clay. These will be functions vases for the home, hand wash only!
