

## **Class Descriptions:**

### **Grades Pre-K**

**Critters in the Snow-** Join us for a fun and creative adventure where you'll bring winter animals to life in a snowy wonderland! In this class, kids will learn how to draw and paint adorable critters like polar bears, snow owls, and playful squirrels in the snow. It's the perfect way to explore winter scenes and creatures while learning new art techniques!

**Frosty Forests-** Using vibrant colors and a variety of painting techniques, young artists will create their very own winter forest scenes. From snowflakes drifting through the air to animals playing in the snow, this class is all about capturing the beauty and stillness of a frosty forest in winter.

**Snowy Adventures-** Bundle up and join us for a snowy adventure! Using paints, crayons, and markers, young artists will bring their favorite winter activities—like building snowmen, sledding, and watching animals play in the snow—to life on paper. This is a fun, imaginative class where creativity and winter fun go hand-in-hand!

**Sweater weather-** Students will use crayons, markers, or colored pencils to design their very own cozy sweaters, imagining all the bright and bold patterns they would want to wear on a chilly day. We'll talk about the colors we associate with winter—like reds, greens, blues, and whites—and use these colors to make our sweaters come to life. A perfect way to celebrate sweater weather while building fine motor skills!

## **Grades K-2**

**Winter Animal Portraits-** Students will create colorful portraits of their favorite winter animals like polar bears, owls, deer, or snow foxes. They can explore using cool colors to paint the animals against wintry backgrounds.

**Winter Night Sky-** Students will paint a beautiful winter night sky filled with stars, a full moon, or even the silhouette of a snowy landscape below. They can use bright colors for the sky and create stark contrasts between the night and snow-covered land.

**Wonderful Winter: Paint and Clay-** From snowmen to winter trees, polar bears to ice skates, this class invites children to explore both the sculpting and painting process. By combining the tactile experience of clay with the expressive fun of painting, young artists will create their own wonderful winter scenes!

**Clay Bobble Heads-** Bring your favorite character to life with a bobbling head in this fun and creative clay class! Students will learn how to sculpt their very own clay bobblehead figures, adding fun details and creating a character that really shakes things up!

**Western Art-**Yeehaw! Get ready to saddle up and ride into the world of the Wild West in this fun and colorful painting class for young artists! Students will explore Western art themes, like cowboys, horses, cacti, and desert landscapes, while learning to use paints and brushes to create their own masterpieces.

**Winterscapes-** Explore the beauty of winter through art! In this fun and colorful class, preschoolers will learn how to create their own winterscape—a snowy landscape filled with frosty trees, snowflakes, and cozy winter scenes—using both drawing and painting techniques.

**Large scale paintings-** In this exciting class, kids will learn how to create a large-scale painting from start to finish, using easy-to-follow, step-by-step instructions. Whether you're painting a bold landscape, a colorful abstract, or a favorite animal, this class is all about working big and having fun with paint, brushes, and creativity!

## **Grades 3-5**

**Winter Scene Shadow Boxes-** This Winter Shadow Box Painting class is the perfect way to blend the magic of winter with the creativity of painting and crafting! Kids will create a stunning 3D winter scene by combining painting techniques with layered materials inside a shadow box. Whether it's a snowy forest, an icy mountain, or a cozy winter village, this class will help you transform your imagination into a beautiful, interactive work of art.

**Paper Pop-up Home-** Step into a world of creativity and design as you create your very own pop-up house! In this fun and imaginative class, you'll learn how to craft a 3D house using paper, transforming flat designs into a pop-up masterpiece. Whether you want to design a cozy home, a futuristic mansion, or a secret hideaway, this class will help you bring your ideas to life in vibrant, pop-up form.

**Playing Cards-** Ready to bring your favorite cartoon characters and wild ideas to life? In this fun and imaginative class, kids will learn how to design their own playing cards featuring cartoon characters, funny scenes, and cool designs. Whether you love superheroes, pokemon, or totally original creations, you'll be the artist behind a custom deck of playing cards!

**Candy Wrappers-** Come Transform colorful candy wrappers into unique works for art. Using wrappers as our inspiration, you'll explore drawing, painting, and collage techniques to create vibrant, imaginative designs. Perfect for anyone who loves to mix art with a sweet twist.

**Paper Mache: Mini stage, puppets, and more-** Get ready for an exciting adventure into the world of imagination and creativity with our Mini Stage & Puppets Paper Mâché Class! In this hands-on workshop, kids will craft their very own mini puppet theater and create fun, one-of-a-kind puppets to bring their stories to life.

**Hand Sewing: Ugly Sweaters-** In this fun and creative class, kids will learn the basics of embroidery while adding beautiful, hand-sewn designs to a sweater or fabric. Using simple hand sewing techniques, they'll create colorful, textured stitches to decorate their own sweater, turning a plain garment into a unique piece of art! From simple flowers to cute animals or fun geometric patterns, kids will explore how to use embroidery floss, needles, and fabric to make their sweater truly one-of-a-kind.

## **Grades 6+**

**Sketchbooks-** Ready to take your sketching skills to the next level? Whether you're a beginner or an experienced artist, this class is all about exploring your personal style, experimenting with new techniques, and filling your sketchbook with amazing, one-of-a-kind artwork!

**Teen Studio-** This Teen Studio Painting class is designed for young artists who want to explore the world of painting in a fun, supportive, and creative environment. Whether you're interested in acrylics, watercolors, or mixed media, this class will help you develop your skills and express yourself through the art of painting.

**Teen Clay Studio-** Get your hands in the clay and let your imagination run wild! In this Teen Clay Studio class, you'll dive into the exciting world of ceramic art, learning how to sculpt, mold, and create with clay. Whether you're interested in functional pottery, abstract sculptures, or decorative pieces, this class is the perfect place to experiment and develop your skills in a fun and creative environment.
